

I am writing to keep K-LOVE (heard on FM translators) on the air. This is a radio station that provides my family as well as many military families great encouragement and uplifting music on a daily basis. Above all, it is safe for our children to listen to. I would be devastated to have this station replaced by some less than family-friendly programming. I believe it to be in the best interest of my family and this entire community to leave K-LOVE on the air. Thank you for your time. Amy Villalon
